

## Roblox £20 Voucher Promotion

**For every eligible person that joins GoHenry during the promotional period using the promotional code, we'll offer a free trial period of 1 month and a free £20 Roblox voucher. The free trial means that when the parent account and child card are activated, the Monthly Membership Fee (£3.99 for Everyday, £5.99 for Plus, or £9.99 for Max) will not be charged for the first month. This offer is available from 00:01 BST on 22nd June 2026 to 23:59 BST on 21st July 2026. From time to time we may offer specific promotions which may include different promotions and offers. This offer may not be used in conjunction with any of our other promotions or offers.**

### **Terms and conditions:**

- This offer is limited to new customers signing up for a GoHenry account who activate their account and child card (please see the *"To redeem the offer"* section below) and meet our Eligibility Criteria (as defined below) (the **"Qualifying Conditions"**). Please refer to the *"This offer is not applicable"* section below for more details.
- The offer provides eligible new GoHenry customers with a free trial period of 1 month and a £20 digital Roblox voucher once they meet the Qualifying Conditions. The free trial means we will not charge the Monthly Membership Fee for the first month after activation. The digital Roblox voucher will be issued via email within seven days of the Qualifying Conditions being met. The Qualifying Conditions must be met within 30 days from the promotion end date.
- For the avoidance of any doubt, this promotion does **NOT** offer new customers a £20 Roblox voucher for each child account created but a single voucher of £20.
- This offer is valid from 00:01 BST on 22nd June 2026 to 23:59 BST on 21st July 2026.
- This offer is open to UK residents aged 18 or above that have passed GoHenry's required security checks for account activation (subject to GoHenry's regulatory requirements) (**"Eligibility Criteria"**).
- A GoHenry parent account is deemed to be 'active' once a minimum of £10.00 has been loaded to the parent account by the parent and it remains active provided the

account is not closed. The minimum £10 load is credit that either sits in the parent account or is transferred to the child's card, which can be withdrawn if the user cancels the account.

- GoHenry will not charge the Monthly Membership Fee for as long as the GoHenry account is not active, however, the parent will not be able to use functions that require money (i.e. paying pocket money, buying custom cards, etc.) if the account has not been activated.
- When the initial free trial period of 1 month ends, the Monthly Membership Fee will be deducted automatically from the available balance on your Parent Account. Please be aware that GoHenry membership fees are recurring/continuous authority transactions and your monthly membership fees will be debited on the same day of the month (or as close to it) as the day you activated your Account. You can cancel your GoHenry membership at any time free of charge by contacting the GoHenry Member Services team on 0330 100 7676 or [help@gohenry.co.uk](mailto:help@gohenry.co.uk). You can also follow the steps outlined in the "How do I close my GoHenry Account FAQs" here <https://uk.community.gohenry.com/s/article/gb-How-do-I-close-my-gohenry-account>
- Due to regulatory reasons, GoHenry is occasionally unable to offer an account to a customer (e.g. if we are unable to verify your identity). In these rare instances, you will be unable to open a GoHenry account and will therefore not qualify for this promotional offer.
