

GoHenry Privacy Notice

What is personal data?

It's information about you, like your name, your address, where you used your GoHenry card and how much you spent.

Why does GoHenry need my personal data?

For things like sending you your card, keeping your money safe and to follow the law.

Don't worry, we can only use it when we have a proper reason to.

Do you share my personal data with anyone?

Only people who need to see it for GoHenry to work.

How long does GoHenry keep my personal data?

GoHenry needs to keep some of your personal data for six years after you close your account.

We delete the rest of your data as soon as we don't need it anymore.

What are my rights with my personal data?

- Ask to see and get a digital copy of it
- Ask us to delete it (we can't always do this)
- Ask us not to use it in certain ways, or to stop using it completely

You can do everything on this list, completely free.

Your parent can see how and where you have used your GoHenry card using their parent app. This is to help them keep you safe and teach you about money.
