- 3.2 When you switch account plans you will be charged your new monthly membership fee (as detailed in the Fees and Charges table above if you are switching to a Max account, or the Fees, Charges and Account Limits clause of the GoHenry Cardholder Terms and Conditions if you are switching from a Max account to another account type) from your next billing cycle. 5 CHANGES TO THE AGREEMENT

- 5.1 If any changes are made to these GoHenry Max Terms and Conditions, you will be informed by email and they will be published on the GoHenry website 2 months before the changes take effect (unless the law requires or permits a more immediate change to be made or in the event of a change to the exchange rate). Please be aware that changes to Interest Savings (as below) may be subject to different notification provisions.

6 INTEREST SAVINGS

- 6.1 Your child can earn interest on their savings when they deposit money into their Interest Savings account. To enable Interest Savings you will need to activate it via your GoHenry Parent Account on our mobile app. This savings product is different to Regular Savings and Savings Goals, so in order for your child to earn interest their money must be deposited in their Interest Savings account.
- 6.2 When money is deposited into the Interest Savings account, it is sent to Bondsmith Savings Nominees Ltd (the “**Trustee**”), who deposits it with a bank on your behalf. Interest will begin to be earned when the funds settle with the bank, and this may take up to three (3) Business Days.
- 6.3 The bank will hold your money as a deposit. Just like other deposits with banks, the money in the Interest Savings account may be protected by the Financial Services Compensation Scheme (or FSCS as it is sometimes called). This means that if the deposit is made in a bank providing FSCS coverage, and if you meet the eligibility criteria yourself, then if the bank was to fail you are guaranteed by the Financial Services Compensation Scheme to receive back any eligible deposits you have made with the particular bank up to £120,000. If this were to happen, the Trustee would be responsible for administering your claim in conjunction with the rules of the Financial Services Compensation Scheme. For further information about FSCS please visit www.fscs.org.uk.
- 6.4 The interest rate you receive will always be as stated on our mobile app. We will give you reasonable notice if the interest rate is going to go down.
- 6.5 The available balance can be withdrawn at any time through our mobile app. Please note that deposits can take up to 3 Business Days to arrive and be part of the available balance in your child’s Interest Savings account. Only the available balance can be withdrawn to your child’s GoHenry Account, where the balance can be spent or withdrawn.
- 6.6 If you switch back to a GoHenry Everyday plan in accordance with clause 3, your child may no longer have the ability to deposit any money in their Interest Savings account and the rate of interest that they receive on the outstanding balance in their Interest Savings Account will decrease. Your child may still withdraw any money remaining in their Interest Savings account.
- 6.7 Where there are any changes to the Interest Savings product (other than changes to the applicable interest rate), we shall provide you with at least two months’ (where possible) written notice by email.
- 6.8 This clause forms part of the agreement between you, the Parent, GoHenry, IDT and Bondsmith governing the Interest Savings product. Bondsmith’s End User Terms can be found [here](#).
