

Fitbit Ace LTE \$20 Free Allowance Promotion

For every eligible person that joins Acorns Early (formerly GoHenry) during the promotional period using the promotional discount code we'll offer a free trial period of 1 month and free allowance (into the parent's account). The free trial means that when the parent activates their account, the Monthly Subscription Fee (\$5 per child or \$10 for Family Plan) will not be charged for the first month. This promotional offer is available from 00:01 EDT on 07 August 2024 to 23:59 EST on 07 February 2025. This offer may not be used in conjunction with any of our other promotions or offers.

Terms and conditions:

This promotional offer is limited to new customers signing up for an Acorns Early account, who activate their child account (please see the "To redeem the offer" section below) and meet our Eligibility Criteria (as defined below) (the "Qualifying Conditions"). Please refer to the "This offer is not applicable" section below for more details.

The promotional offer provides eligible new Acorns Early customers with a free trial period of 1 month and \$20 allowance (\$20 will be automatically transferred into the parent's Acorns Early parent account) once they activate their parent and child account. The free trial means we will not charge the Monthly Subscription Fee for the first month after activation.

This Promotional offer is valid from 00:01 EDT on 07 August 2024 to 23:59 EST on 07 February 2025. This promotional offer is open to US residents aged 18 or above that have passed Acorns Early's required security checks for account activation (subject to Acorns Early's regulatory requirements) ("Eligibility Criteria").

An "active" Acorns Early parent account is deemed to be an account where a minimum of \$10.00 has been loaded to the parent account by the parent. This money is credit that either sits in the parent account or is transferred to the child's card, which can be withdrawn if the user cancels the account.

Acorns Early will not charge the Monthly Subscription Fee for as long as the Acorns Early account is not active, however, the parent will not be able to use functions that require money (i.e. paying allowance, buying custom cards, etc.) if the account has not been activated.

When the initial free trial period of 1 month ends, the Monthly Subscription Fee will be deducted automatically from the available balance on your Parent Account. Please be aware that Acorns Early subscription fees are recurring/continuous authority transactions and your monthly subscription fees will be debited on the same day of the month (or as close to it) as the day you activated your Account. You can cancel your Acorns Early subscription at any time free of charge by contacting the Acorns Early Customer Support team on (855) 739-2859 or

help@acornsearly.com.

We will never deduct subscription fees or funds from the Acorns Early child account.

Due to regulatory reasons, Acorns Early is occasionally unable to offer an account to a customer (e.g. if we are unable to verify your identity). In these rare instances, you will be unable to open an Acorns Early account and will therefore not qualify for the free trial period offer.

This promotion is not open to employees or associates of Acorns Grow Inc. or any of its affiliated entities.

This free trial period offer may be varied or withdrawn at any time in whole or in part without prior notice where it becomes necessary to do so or where Acorns Early believes there has been a breach of these terms and conditions.

The promotion is subject to availability and our Fair Use policy. Redeeming this offer constitutes acceptance of these terms and conditions.

These terms and conditions are governed by the laws of New York and any disputes arising in connection with the offer will be subject to the jurisdiction of the courts of New York.

The Promoter is GoHenry Inc. (d/b/a "Acorns Early"), 5300 California Avenue, Irvine, CA 92617 USA.

To redeem the offer:

The offer can be redeemed simply by clicking through to the first stage of the sign-up journey from the landing page (a pre-populated offer code will be applied) or by manually entering the code FITBITACE on the first stage of the sign-up journey.

The offer is not applicable:

If you already have a prepaid card registered with Acorns Early or if you already have an Acorns Early (formerly GoHenry) account.

If you apply a different discount code.

If you participate in any other offer or promotion.

If you purchase other products sold by Acorns Early through a 'Cashback' link.
