

October \$20 free allowance promotion

For every eligible person that joins GoHenry during the promotional period using the promotional discount code, we'll offer a free trial period of 1 month and \$20 free allowance (into the parent's account). The free trial means that when the parent and child account is activated, the Monthly Membership Fee (\$4.99 per child per month or \$9.98 per month for families with up to 4 children) will not be charged for the first month. This promotional offer is available from 00:01 EDT on 10/22/2024 to 23:59 EDT on 10/31/2024. From time to time we may offer specific promotions which may include different promotions and offers. This offer may not be used in conjunction with any of our other promotions or offers.

Terms and conditions:

- This promotional offer is limited to new customers signing up for a GoHenry account, and who activate their child account (please see the *"To redeem the offer"* section below) and meet our Eligibility Criteria (as defined below) (the **"Qualifying Conditions"**). Please refer to the *"This offer is not applicable"* section below for more details.
- The promotional offer provides eligible new GoHenry customers with a free trial period of 1 month plus \$20 free allowance (which will be automatically transferred into the parent's GoHenry parent account) once they activate their parent and child account. The free trial means we will not charge the Monthly Membership Fee for the first month after activation.
- This promotional offer is valid from 00:01 EDT on 10/22/2024 to 23:59 EDT on 10/31/2024.
- This promotional offer is open to US residents aged 18 or above that have passed GoHenry's required security checks for account activation (subject to GoHenry's regulatory requirements) (**"Eligibility Criteria"**).
- An "active" GoHenry parent account is deemed to be an account where a minimum of \$20.00 has been loaded to the parent account by the parent. This money is credit

that either sits in the parent account or is transferred to the child's card, which can be withdrawn if the user cancels the account.

- GoHenry will not charge the Monthly Membership Fee for as long as the GoHenry account is not active, however, the parent will not be able to use functions that require money (i.e. paying pocket money, buying custom cards, etc.) if the account has not been activated.
- When the initial free trial period of 1 month ends, the Monthly Membership Fee will be deducted automatically from the available balance on your Parent Account. Please be aware that GoHenry membership fees are recurring/continuous authority transactions and your Monthly Membership Fees will be debited on the same day of the month (or as close to it) as the day you activated your Account. You can cancel your GoHenry membership at any time free of charge by contacting the GoHenry Member Services team on (877) 372-6466 or help@gohenrycard.com. You can also follow the steps outlined in the "[How do I close my GoHenry Account FAQs](#)" here
- Due to regulatory reasons, GoHenry is occasionally unable to offer an account to a customer (e.g. if we are unable to verify your identity). In these rare instances, you will be unable to open a GoHenry account and will therefore not qualify for the free trial period offer.
- This promotion is not open to employees or associates of GoHenry Inc.
- This free trial period and allowance offer may be varied or withdrawn at any time in whole or in part without prior notice where it becomes necessary to do so or where GoHenry believes there has been a breach of these terms and conditions.
- The promotion is subject to availability and our Fair Use policy. Redeeming this offer constitutes acceptance of these terms and conditions.
- The Promoter is GoHenry Inc., 5300 California Avenue, Irvine, CA 92617.
